STORE BELOW 25°C

NRCS Reg. No. Act5GNR529/290979/090/0927

**FIRST AID MEASURES**

**Eyes:** Wash immediately with copious amounts of water and obtain medical attention.

**Skin:** Prolonged contact may cause irritation with sensitive skin types. Avoid prolonged skin contact and wash off with water if irritation occurs.

**Ingestion:** Rinse mouth and drink 2 glasses of water or milk.

If a large amount is ingested and symptoms develop, seek medical attention. Do not induce vomiting.

**PERSONAL PROTECTIVE EQUIPMENT:**

**Eyes:** When the product is used as directed, personal protective equipment is not required. However, the product is an eye irritant, and as such it should be handled in such a way as to avoid eye contact.

**Hand/Skin:** Prolonged skin contact should be avoided, and if an application dictates otherwise, the use of protective gloves or clothing is recommended.

**Respiration:** No special protection is required.
